Subject: EPA Offsite Compliance Monitoring Report - Northwest ICE Processing Center
Attachments: GEO Group USE OfCM - GEO Group 06082021.pdf

Good Afternoon Mr. Scott and Mr. Eaton,

I am passing along a copy of EPA Region 10's offsite compliance monitoring report related to our conversation on November 24, 2020. The report primarily covers our conversation about disinfectant use at NWIPC, though, it also includes our compliance concerns.

Please note this does not conclude our review of the matter.

Thank you,
Nick
